Technology Week Trade Show and Seminar

Mark your calendar, on November 3, 2009 the Delaware Valley Chapters of ASCET (American Society of Certified Engineering Technicians) will be hoisting a Seminar and Trade Show for Fire Sprinklers, Fire Alarm and Civil Engineering Technologists.

Where and When: THE RAMADA INN, Route 291
Essington, PA. (South of the Philadelphia Airport)
Tuesday, November 3, 2009
10:00 AM to 4:00 PM

Trade Show: There will be several vendors on site displaying many of their products and services. This is a list of some of the vendors that will be there.

Seminars: Earn Continuing Professional Development (CPD) points to maintain your NICET certification. We will have one hour seminars on the following topics:

- What NICET means to you and your industry
- Disaster Management & Business Continuity Planning including H1N1
- Changes in NFPA 13 2010 edition
- Changes in NFPA 20 2010 edition
- Mass Notification Systems
- Release Detection for Pre-action and Clean Agent Systems

Please fill out attached registration forms and return before October 23, 2009.

Yours,
Rob Spitz
Chairman of Technology Week
Trade Show & Seminar
